

# Wesley House Programs

## Affordable Housing

We provide below-market rent and wraparound support services for low-income, full-time college students.

**60%**  
of residents are 1<sup>st</sup> generation college students.

**23**  
low-income students housed.

**6**  
residents are former foster youth.

**75%**  
of residents identify as Black, Indigenous, or Person of Color.

*When it comes to Wesley House, there is no comparison to the level of support I have received in my academic career. The staff are always available if any student is having difficulties in life, and Wesley House has provided us with a safe and affordable place to live.*

# Wesley House Programs

**90%**  
of food pantry customers are students.

**250**  
pounds of food served each month.

**63%**  
of customers are Black, Indigenous, or Persons of Color.

**350**  
people served July - December 2021.

**Food Pantry**  
We are the only pantry in the area open M-F. Shelf-stable staples, fresh produce, dairy, and meat provide the nutrition students need to succeed.

*Not only has Wesley House assisted me with subsidized housing, but they have provided me with amenities and food while helping me through college. Wesley House continues to assist me as I work on being financially, physically, and mentally stable.*

# Wesley House Programs

*As a first-generation, low-income student, I appreciate how much Wesley House does for students like me who were not brought up with many of the tools necessary to perform at the same level as many other students.*

**Trinity**

# Wesley House Programs

*I love that Wesley House gives you a variety of different opportunities! We have been able to attend multiple workshops which have broadened my understanding of multiple subjects, from finance to scholarship opportunities.*
